

# THIS WEEK

Week commencing 22nd July

Just a three day week this week so we will round up an action packed term with our favourite fun and games. We'll let the children self choose their favourite toys

from around the Nursery and welcome the children to bring in games from home to enjoy with their friends. We will have lots of messy play, fun outside and some fun on the field with our parachute. Please take home your child's journal this week to look through and their daily diaries to fill in. We would like to thank all our parents for your support this academic year and the children for bringing us so much fun and laughter. Please take the time to fill in our annual questionnaire attached with this newsletter, your feedback is very important to us. Finally we would like to wish our leavers good luck in their new school and we very much looking forward to seeing the rest of the children in September, we have set you a challenge to keep a photo diary or memory box over the summer to share with us on next term.
