

# THIS WEEK

Week commencing 16th March

## Living Things

We are so excited to be finally going into Spring with warmer weather and signs of new life everywhere. With this in mind our final topic of the term will be all about living things. We will be focusing on Physical Exercise and Science as part of this topic but it will of course include all areas of learning. Our living things topic will include, growth and growing, minibeasts and baby animals, weather and energy.

**The Nursery Team**

## Weekly activities

### Monday

Music with Mr Tugwell

### Cooking Tuesday

Garden salad

### Phonics

Daily and Weekly Phonics

### Focus Time

Individual learning goals

### 'Little Squirrels'

## Shiplake Village Nursery Garden Centre

Opens Monday

16th March

9am—3pm

**Our role play area will be a garden centre this term.** Please feel free to contribute items for this including, plants and flowers, buckets, seeds, pots, watering cans or baskets.

## How to support learning at home...

Visit a garden centre and see what you can spot.
