Autumn Term Week 3

This week the children have enjoyed mark making with cars in paint as well as finger gym phonics. We've been practising cutting skills and encouraging independence with fine motor skills. The children created name rockets, focusing on hearing and recognising their name and, for the older children, identifying the first letter. Outside we have made the most of the September sun with lots of exciting water play. Regarding Tapestry, please bear with us while we get to grips with the new framework and activate any new accounts. **Best Wishes, The Nursery Team**
