## Autumn Term Week 7

This week we have been talking about Autumn, the changes that happen to the trees and the foods we harvest. The children have enjoyed collecting natural resources in the garden, such as different coloured leaves and sticks, which we have used for leaf printing and imprinting into playdough. As part of the harvest we have had old potatoes to print with and have played with the insides of slimy pumpkins. We have continued to learn about lifecycles and practised our cutting skills to make a lifecycle picture. We hope you all have an enjoyable half term and we look forward to seeing you for our new topic 'Room on the Broom' by Julia Donaldson. **Best Wishes, The Nursery Team**
