

THIS WEEK

Week commencing 17th June

Lets look at how we have **grown!** The children are all growing up so quickly and we would like to celebrate this with a week of discussions and activities themed around our bodies and personal development.

During group time we will look at books about our bodies, this will give the children a good understanding of how everyone is different. We will use mirrors to look at ourselves and we would love to see some baby photos to look at and compare ourselves to. In art we will make foot and hand prints and draw around each other with chalk. We will also make puppets or pictures of ourselves using different materials. During music this week we will sing 'Head, Shoulders, Knees and Toes' and do the 'Hokey Cokey'. Tuesday children will carry on the celebration of growing up by making and decorating a birthday cake for all nursery children to share. During focus time we will be looking at how we move which will include walking like a bear to help develop gross motor skills, balance and coordination. We will also consider other types of movements and will have a fun game of 'Simon Says' which is a great way to learn the parts of our body as well as practise our listening skills.

The Nursery Team

Music and Movement

'Head, Shoulders, Knees and Toes'.

Cooking Tuesday

Baking a Birthday Cake!

Focus Time

Motor skills, balance and coordination

Next Steps

We continuously work on individual next steps.

'Little Squirrels'

Climbing trees.

Field Day Friday

Throwing and catching.

Remember...

- *Bring in baby photos.*
- *Shiplake Pirate Summer Fayre—Memorial Field
22nd June 12.30pm*

How to support learning at home...

Talk to your child about their first words and first steps.

Try our Termly Challenge: Grow a plant from seed.
