

# THIS WEEK

Week commencing 1st July

*Oh we do like to be beside the seaside...*

To support our learning of living things we will have an under the sea theme this week. We will create our own rock pool on the nursery floor using blankets, shells and toy sea creatures and learn about what happens within a rock pools whilst sharing stories about our own seaside experiences. In literacy we will read 'Sharing a Shell' by Julia Donaldson, play some matching games with the characters from the story and trace some letter formations. We will be busy in the art corner with sea creature colouring sheets, printing with shells and paint and making mermaids. To enhance free play there will be playdough for making imprints of sea creatures and shells as well as playing ice cream shops—a favourite at Nursery! There will be lots of fun in the garden this week, with hopefully some sunshine too. Water play will support our maths as we pour and measure. We will also play in the sand, making sandcastles and practise our mark making to support literacy. In music we will try recreating the sounds of the seaside using our instruments. And finally we will get physical with some limbo and hula hooping and a game of follow the leader. We hope that you can all make our Hawaiian Beach Party on Friday which will be a fitting end to this weeks fun and learning.

**The Nursery Team**

## Music and Movement

Instruments and songs from the Little Mermaid.

## Cooking Tuesday

Octopus sausages.

## Focus Time

Size ordering and patterns.

## Next Steps

We will continue to work on individual progress and learning goals.

## 'Little Squirrels'

Follow the leader.

## Field Day Friday

Hula hooping.

*Remember...*

**HAWAIIAN BEACH PARTY**

**5TH JULY 1-3PM**

## How to support learning at home...

Play a game of 'Simon Says'.

**Try our Termly Challenge:** Grow a plant from seed.
