

THIS WEEK

Week commencing 15th July

Push and Pull

This week we'll have a sporty week as we investigate force and motion.

Using magnets we will play metal detectors in the sandpit. There will be ball and vehicles rolling down our piping to look at the difference in speed compared to angle of pipe. The children will use picture cards to sort items that are pushed and items that are pulled and have a go at identifying other items around the nursery that can be either pushed or pulled. We will practise our throwing, jumping and hopping with various garden games which will also support our maths. On Tuesday we have been invited to visit Shiplake Tennis Club, next door to the Nursery, where we will be shown around by Mrs Blomfield and have an opportunity to hit some tennis balls. In our art corner, we will make tissue paper art and cheerleading pom-poms. During group time we will play a game of 'What ball is that?' where the children identify different sports balls as they pull them out of a bag. We look forward to seeing you all for our Sports Day on Wednesday morning, please see the running order at side of this page. There will also be a special presentation for the children leaving us to start School which we hope you can stay for.

The Nursery Team

Music and Movement

Cheerleading.

Cooking Tuesday

Scones and strawberries.

Focus Time

Sorting and matching.

Next Steps

Individual learning goals.

'Little Squirrels'

Bark rubbings.

Field Day Friday

Penalty shoot outs.

Remember...

- Reception morning for school starters on Monday.
- Sports Day and leavers ceremony Wednesday.

Running order:

- Races start 10.30am
- Family picnic 11.45am
- Leavers ceremony 12.30pm

How to support learning at home...

Bring in your plant that you have grown from seed for show and tell.

Summer Challenge: Keep a photo diary or memory box of your summer holiday.
